The image is a black and white educational poster about Marie Curie. It features a central photograph of a young Marie Curie in a laboratory, holding a small glass vial. To her right is a large, ornate glass bottle. The poster contains several text blocks: a quote at the top right, the name 'Marie Curie' in a stylized font, a paragraph of text, and a timeline at the bottom with dates 1867 and 1934. The text is partially obscured by a large, semi-transparent watermark.
